1.2 Minimum and maximum balances

There's no minimum balance. The maximum balance is \$5 million per UBank customer, this includes Joint Accounts. That means if you have 10 UBank USave accounts their combined balance needs to be no more than \$5 million.

1.3 Bonus interest

We may offer one or more savings bonuses from time to time. Savings bonuses are variable rates and apply on top of the UBank USave base variable rate on eligible balances for eligible accounts where the qualifying criteria are met.

Where the qualifying criteria for a savings bonus includes depositing a minimum amount in any calendar month, that amount must be received by us for processing by the last business day of that month.

We'll give you notice of changes to your interest rate (including any savings bonus) no later than the day the change takes effect. We'll notify you by either:

- Writing to you (by post or email);
- Advertising in a major newspaper.

1.4 USave Savings Bonus

You can earn a USave Savings Bonus on your USave account/s in any calendar month if you meet the qualifying criteria set out below:

- You must have a USpend account held in the same name as, and linked to, your USave account throughout that entire calendar month, and must maintain a credit balance in that USpend account;
- A minimum amount must be deposited into your USpend account and/or the USave account linked to your USpend account from an external source during that calendar month. Please refer to ubank.com.au for the current minimum amount required.

- You must meet any minimum transaction criteria during that calendar month. Please refer to ubank.com.au for the current minimum transaction criteria.

For information about the maximum Bonus Rate you can earn, and how that rate is applied where you have multiple accounts, see clause 8 (The Interest Rate) of Part 1 of these Terms and Conditions and our website (ubank.com.au).

2. UBank USaver Reach Account

USaver Reach accounts are no longer offered for sale.

2.1 Eligibility

You're eligible to hold a UBank USaver Reach account, if you:

- Are a personal customer (not a business or trust) and not using your USaver Reach account for business purposes; and
- Are over 18 years old and under 30 years old; and
- Have an Australian residential and postal address; and
- Are an Australian resident for taxation purposes; and

A UBank USaver Reach account cannot be held in a company or business name (including sole traders) or in a trust capacity (including DIY Superannuation).

You can only hold one UBank USaver Reach account including Joint Accounts. UBank may vary this limit from time to time.

2.2 Minimum and maximum balances

There's no minimum balance. The maximum balance is \$5 million per customer, this includes Joint Accounts.

2.3 Bonus interest

We may offer one or more Savings Bonuses from time to time. Different rates apply to different levels (tiers) of the UBank USaver Reach account balance as shown at ubank.com.au. UBank may change the tiers and applicable interest rates from time to time.

3. UBank USaver SMSF Account

USaver SMSF accounts are no longer offered for sale from 8 August 2020.

3.1 Eligibility

You're eligible for a UBank USaver SMSF account (opened before 8 August 2020), if you:

- a. Are a trustee of a self-managed super fund that complies with the SIS legislation -
 - Where trustees are individuals, applications will only be accepted where there are two persons as trustees;
 - Where the trustee is a company, applications will only be accepted where there are two or less directors only; and
- b. Have an Australian residential and postal address; and
- c. Are an Australian resident for taxation purposes; and
- d. Have an email address and Australian mobile phone number (for Joint Accounts each applicant must have a different email address).

We only accept accounts where the USaver SMSF account can be operated by either party independently. This is to enable full use of our online services. If you need to operate the USaver SMSF account as 'both to sign', this account is not for you.

You can open up to a maximum of 10 active UBank USaver SMSF accounts. UBank may vary this limit from time to time.

32 Minimum and maximum balances

There's no minimum balance. The maximum balance is \$5 million per UBank customer, this includes Joint Accounts. That means if you have 10 UBank USaver SMSF accounts their combined balance needs to be no more than \$5 million.

33 Bonus Interest

We will offer you a Bonus Interest rate in months where you don't make any withdrawals from your UBank USaver SMSF account. Withdrawals between your other UBank USaver SMSF account and/or UBank SMSF Term Deposit accounts are excluded, so you'll still qualify to earn the bonus interest.

The Bonus Interest is a variable rate and applies on top of the UBank USaver SMSF base variable rate for eligible accounts.

We'll give you notice of changes to the interest rate or the Bonus Interest rate no later than the day the change takes effect, we'll notify you by either:

- Writing to you (by post or email);
- Advertising in a major newspaper.

4. Joint Accounts

If you open a UBank savings account with another person, that's called a Joint Account. A UBank savings account can't be opened in more than two personal names.

If you have a Joint Account, you and your joint Account holder may operate the UBank savings account independently of each other. But you're individually and jointly liable concerning the UBank savings account for:

- Your share of any amount owing to us.
- The share of any amount owing to us by your joint Account holder.

We aren't liable for any loss or damage you or anyone else suffers due to us acting on an instruction in good faith, unless of course it's proved that we were negligent.

If one joint Account holder dies, we treat the balance of the Joint Account as belonging to the living Account holder. This is what's known as the right of survivorship.

If we're notified of a dispute between joint Account holders, we may place a block on your UBank savings account. This means that you will be unable to transact on your UBank savings account including (but not restricted to):

- Depositing funds to your account;
- Withdrawing funds from your account; and
- Requesting any other changes to the account e.g. changing your address.

We may require both of you to authorise any operation of the UBank savings account and/or remove the block.

UBank may, at its discretion, make exceptions to these rules from time to time.

5. Third party access

UBank currently does not provide third party access to your UBank savings account, for example via your accountant or solicitor.

6. Identification requirements

Before we can give you a UBank savings account, we need you to satisfy our minimum identification requirements as soon as you can.

These requirements are important because they ensure your UBank savings account complies with the prescribed laws and regulations.

We give you several ways to satisfy these requirements – making it as convenient as possible.

It's at our discretion to accept or reject the identification of any customer based on our own criteria.

We may not be able to fully disclose these criteria for confidentiality or commercial reasons, but we'll tell you if your identification has been rejected or is outstanding.

The identification options we give you may change over time, and may differ from product to product. For the current options please visit ubank.com.au

61 What happens if you don't meet identification requirements?

If you haven't met the identification requirements, certain limitations apply.

The most important one being that you won't be able to withdraw funds – including interest from your UBank savings account – until you meet the identification requirements.

To provide extra protection of your money we may put in effect certain limitations on the operation of your UBank savings account. We will, of course, tell you if your account is affected by any such limitations.

62 How to set up a UBank savings account

You can apply for a UBank savings account online at ubank.com.au – using the secure online form.

The ways you're able to submit an application may change from time to time. Please refer to ubank.com.au

Please note that UBank reserves the right to accept or reject any application.

63 Information required at application

When you apply, we need you to tell us a bit about you. This includes, but isn't restricted to, the following:

- Your full name or names.
- An Australian residential address (not a PO Box address).
- Your date of birth.
- Your Driver's Licence number (if you have one).
- An Australian mobile phone number.
- A unique email address – for joint applications both applicants must provide a different email address.
- Passport number (if you have one).
- Your Tax File Number or TFN exemption code for tax purposes

- we are authorised under the income Tax Assessment Act 1936 to ask for your TFN when you open a savings or investment account. See more information about TFNs on page 13.
- A secret question and answer (so we can identify you).

7. Minimum and maximum balances

There may be minimum and maximum balance limits imposed on your UBank savings account. We may, at our discretion, make exceptions to these minimum and maximum limits. And from time to time we may also change the minimum and maximum balances.

For minimum and maximum balances on your UBank savings account, refer to Part 1 Accounts on page 6.

8. The interest rate

The interest rate/s applying to your UBank savings account are the rates that apply at the time we receive your application.

These rates are variable rates and may change from time to time.

UBank may also apply different rates to different levels of your UBank savings account balance and these may change from time to time as well. For example, one interest rate may apply to the first \$10,000 of your account balance, while different interest rates may apply to the remainder of your account balance. Your rate forms part of these Terms and Conditions.

UBank will give you notice of changes in the interest rate no later than the day the change takes effect, we'll notify you by either:

- Writing to you (by post or email);
- Advertising in a major newspaper.

8.1 How your interest rate is calculated

We'll calculate interest on the daily closing credit balance of your UBank savings account (as at the end of each day), up to and including the last day of the month.

Accrued interest for the month (other than any Bonus Interest payable on your USave) is credited to your account on the last day of each month or at account closure.

Any Bonus Interest payable on your USave is credited to your account by the first day of the following month or at account closure.

Daily interest is calculated as follows:

$$\frac{\text{Daily Closing Balance} \times \text{Interest Rate (\% p.a.)}}{365}$$

For USave, we will calculate and pay interest (excluding any Bonus Interest) and Bonus Interest separately. Interest (excluding any Bonus Interest) will be calculated using the prevailing base USave variable rate as the Interest Rate. Any Bonus Interest for which you are eligible will be calculated using the Bonus Rate as the Interest Rate – for more information about the Bonus Rate please see the Special Rules for USave below.

In all other cases, the interest rate will include any savings bonus rate for which you have met the qualifying criteria in that calendar month (pursuant to the Terms and Conditions applicable at the end of that calendar month).

Special Rules for USave where the USave Savings Bonus Eligibility Criteria are met.

- Where your Average Total Daily Balance for the month is \$250,000 or less, you will receive the full advertised USave Bonus Interest Rate on your full USave balance/s.
- Where your Average Total Daily Balance for the month is more than \$250,000, your Savings Bonus will be shared across all of your USave accounts/balances. In order to share your Savings Bonus across your USave accounts/balances, the Bonus Rate will be:

$$\frac{\text{full advertised USave Bonus Interest Rate} \times 250,000}{\text{your Average Total Daily Balance}}$$

This means that in effect, you could earn the USave Savings Bonus on balances up to \$250,000 in total across your USave accounts.

- For joint accounts, the Bonus Rate will be the higher of:
 - The Bonus Rate you would be entitled to if the account were in your name alone as set out in the Sole Account rules above; and
 - The Bonus Rate your other account holder would be entitled to if the account were in their name alone as set out in the Sole Account rules above, as determined at the end of the relevant month.

Note: Please note that the way the USave Savings Bonus operates in relation to joint accounts means that it may be possible for your joint account holder (if any) to work out how much money, on average, you had with UBank during the month (including in an account you hold with UBank solely in your name). If you are not comfortable with this, please call us.

To see how the USave Bonus Rate rules work in practice, see our website (ubank.com.au) for some examples.

9. Account closure

If you ask us to close your UBank savings account, we'll pay you interest up to but excluding the day of closure. And if the day you request it is a nonbusiness day, we'll process the closure on the next business day.

10. Fees and charges

There are no fees or charges payable on UBank savings accounts.

You may incur fees on your linked bank account when transferring money between it and your UBank savings account. To find out whether any such fees apply, talk to the financial institution where your linked bank account is held.

If you are a trustee of a self-managed super fund, talk to your auditor about the fees that they may charge you. UBank charges auditors a fee for audit related information requests made online.

10.1 Government fees and charges

As at the effective date, there are no government charges associated with UBank savings accounts. But should the government introduce charges in the future, these charges will be debited from your UBank savings account.

11. Your Tax File Number (TFN)

UBank is authorised under the Income Tax Assessment Act 1936 to ask for your TFN when you open a savings or investment account. You don't have to provide your TFN and it's not an offence if you decide not to, but if you don't, UBank may be required to deduct 'Pay As You Go Withholding Tax' at the maximum marginal tax rate (plus Medicare Levy) from interest you earn on your UBank savings account. If you provide your TFN, UBank will use it to report details of interest earned on your accounts to the Australian Taxation Office.

If you have a Joint Account, both Account holders are required to supply a valid TFN or TFN exemption code to avoid withholding tax.

Part 2

Account transactions

1. Linked bank account

You may be required to provide us with your “linked bank account” details, which will be used to debit and/or credit funds from/to your Australian financial institution. Your linked bank account must be a valid Australian bank account. Your linked bank account must be held by you in an Australian financial institution which can accept direct debits & credits.

2. Verifying your linked bank account

When you introduce a new linked bank account, or change an existing one, we need to verify that it belongs to you. We'll advise you at the time about what you need to do to verify your linked bank account.

3. Transfer limits

A “daily transfer limit” applies per customer to selected transactions performed in UBank Online or UBank Telephone Services. We may also change the minimum and maximum daily transfer limits from time to time.

Information	Channel	Daily
Transfers between your own UBank accounts	Online	No limit
Electronic Funds Transfers to; - Other Australian financial institutions (including NAB) whether the account is in your name or not - Other UBank accounts not held in your name	Online	\$20,000

	Telephone banking via Direct Banking Centre	No Limit
ASP Direct Debit from your linked bank account into your UBank account*	Online	\$2,000

*Effective as of 7 January 2017, UBank no longer accepts new ASP instructions. Existing ASP instructions set up prior to 7 January 2017 remain unaffected and will continue to apply until expiry or termination.

4. Deposits and withdrawals

There may be minimum and maximum balance limits imposed on your UBank savings account. We may, at our discretion, make exceptions to these minimum and maximum limits. And from time to time we may also change the minimum and maximum balances.

Your deposit must be made in Australian dollars only.

4.1 Making deposits

UBank gives you lots of ways to deposit money into your UBank savings account, including Electronic Funds Transfer (EFT), salary credit, Fast Payments through the NPP, periodical payment from an Australian financial institution and direct debit.

We cannot accept any deposit to your UBank savings account in a currency other than Australian dollars. If a deposit is made to your UBank savings account in a foreign currency, or from an overseas account, you should remember that:

- The amount will need to be converted into Australian dollars before it reaches your UBank savings account. The bank doing the conversion (which may be us, or another bank) will generally use its own exchange rate/s prevailing at the time of conversion.
- Whilst we don't charge any fees for converting your deposit into Australian Dollars, other banks involved in or with the deposit might and this may reduce the amount we receive: we don't control this.
- If the deposit needs to be returned in whole or in part (for example, in the case of a mistaken or over payment), the amount being returned may need to be converted back into a foreign currency by us or another bank using the prevailing exchange rate/s at the time of conversion. This may mean that a different exchange rate is used in relation to the amount being returned, which may result in a shortfall to you or the sender.

UBank isn't liable for any loss you feel you may have incurred as a result of converting the deposit into Australian Dollars, or back into a foreign currency, as described above, even where UBank itself does the conversion.

4.2 Deposits we can't accept

We can't accept payments in cash, traveller's cheques or international drafts. For a complete list please visit ubank.com.au

4.3 Electronic Funds Transfer (EFT) (including Fast Payments)

You can deposit funds into your UBank savings account by transferring money by EFT from any Australian bank account that offers this facility.

Where available, your EFT deposit will be made as a Fast Payment. For more information about Fast Payments, see clause 4.16 of this Part 2.

UBank doesn't charge any transfer fees, but we may impose transfer limits such as maximum payment amounts. That said, the institution you are sending money from may charge a fee and may impose transfer limitations. Please check with them to ensure you choose the most convenient and economical way of transferring money to UBank.

Rules for funds transfer are governed by various payment schemes, and are usually out of the control of UBank and the institution you're sending money from.

Interest will not accrue until we receive the funds and it is credited into your UBank savings account.

44 Direct deposit

You can request your banking institution or employer to directly credit funds into your UBank savings account e.g. salary credit or periodical payment. To do this you must provide UBank's BSB number and your UBank savings account number and any other deposit information required to perform the transfer.

Interest will not accrue until we receive the funds and it is credited into your UBank savings account.

45 Direct debit

You can no longer set up new direct debits (Automatic Savings Plans) to deposit funds into your UBank savings account.

Where an existing direct debit (Automatic Savings Plan) is in place:

- Funds deposited into your UBank savings account by way of direct debit can't be withdrawn until they're cleared, even though UBank will immediately credit your UBank savings account with the proceeds. Clearance usually takes between 3 – 5 business days.
- In the event the direct debit is dishonoured, UBank may advise you. Your UBank savings account balance will be reduced by the amount of the direct debit, and any interest paid and/or accrued will also be reduced.

46 Cancelling a direct debit authority

You can change or cancel a direct debit authority anytime by giving us at least 48 hours' notice. If you ask us to change or cancel a direct debit authority on a weekend or designated public holiday, the change or cancellation will take effect on the next day. You can change or cancel a direct debit authority via UBank Online Service.

47 When will funds be deposited into your UBank savings account?

For deposit methods that are not Fast Payments, generally if funds are received by 4pm on a business day they will be credited to your UBank savings account that day. If they're received after 4pm on a business day or, received on a weekend or a designated public holiday, they'll generally be credited to your UBank savings account on the next business day.

Funds transferred to your UBank account using a Fast Payment through the NPP will generally be made available in less than 60 seconds from the time of payment.

48 Making withdrawals

UBank offers a variety of methods for you to withdraw money from your UBank savings account, including Electronic Funds Transfer (EFT) through Pay Anyone or Periodic Payments and Fast Payments through the NPP.

Fast Payments from a UBank savings account are expected to be available in the first half of 2021. See our website for more information.

49 Electronic Funds Transfer (EFT) (including Fast Payments)

You can withdraw funds (subject to "daily transfer limits") from your UBank savings account by transferring money by EFT to any Australian bank account.

Where available, your EFT withdrawal will be made as a Fast Payment. For more information about Fast Payments, see clause 4.16 of this Part 2.

You can find out more information about daily transfer limits by visiting ubank.com.au.

4.10 Periodic payments (future dated payments)

You can arrange for regular deposits (subject to "daily transfer limits") to be made to any Australian bank account by setting up a periodical payment instruction, via UBank Online.

If you set up a periodical payment instruction, UBank has the right to:

- Arrange the order of priority of periodical payments or any other payments or drawings from your UBank savings account;
- Defer or not make a payment if UBank has reasonable justification e.g. your UBank savings account has insufficient funds or if there is any interruption or delay in the banking system.

You must ensure you have sufficient cleared funds in the UBank savings account to be debited on the banking day prior to the payment being due and on the due date.

If the periodical payment is due on a non-business day, UBank will debit your UBank savings account on that day.

4.11 Cancelling a periodic payment (future dated payments)

You can change or cancel a periodical payment any time by cancelling instructions within Online Banking at least one day prior to the next payment.

4.12 Restrictions

You may not be able to request to withdraw money by cheque, cash, direct debit authority or any method not specified above.

Deposits received via electronic payment methods maybe subject to clearance. We can't make any transfers or payments of these funds back to you until they've cleared.

We're not permitted by law to transfer money to you until you have met the minimum identification requirements. This includes interest payments, as well as any deposits you've made.

4.13 Overdrawing your UBank savings account

You must not overdraw your UBank savings account. If, for any reason, your UBank savings account becomes overdrawn we may:

- Transfer money from any other account you may have with us or the NAB Group (including any other sole or joint account) to cover the overdrawing;
- Debit money from your linked bank account if we have authority to do so.

Any losses you may incur as a result will not be covered by us. We will notify you if we transfer money from another account or debit money from your linked bank account.

4.14 When will funds be withdrawn from your UBank savings account?

Unless these Terms and Conditions say otherwise, withdrawals initiated by 4pm on a business day through "pay now" or withdrawals above the "daily transfer limit" will be processed on that day. If funds are withdrawn after 4pm on a business day, it will be processed the next business day.

Future dated transfers, regardless of what day it falls on (i.e. business or non-business day), will occur on that day and the available balance will be reduced.

Funds transferred from your UBank account using a Fast Payment through the NPP will generally be made available in less than 60 seconds from the time of payment.

4.15 Fast Payments through the New Payments Platform (NPP)

a. About Fast Payments

UBank savings account holders can transfer funds using a Fast Payment through the NPP between eligible accounts at Australian financial institutions participating in the NPP.

Your USave, USaver Reach and USaver SMSF accounts are automatically enabled for Fast Payments.

b. Commencement and timing

Fast Payments to a UBank savings account are already live.

Fast Payments from a UBank savings account are expected to be available in the first half of 2021. See our website for more information.

Funds transferred to or from your UBank savings account using a Fast Payment through the NPP will generally be made available in less than 60 seconds from the time of payment.

c. Conditions to using Fast Payments

There are some important conditions to using Fast Payments which we've set out below:

- The account at the other Australian financial institution involved in a transaction must also support Fast Payments through the NPP.
- You must use the Mobile App to perform a Fast Payment transaction from your UBank account. Transactions made using Online Banking or Telephone Services will not be a Fast Payment.
- Only transactions that are performed on a 'transfer now' basis can be Fast Payments (and not for example, future dated transfers or similar transactions).

Fast Payments is a form of 'EFT transaction' under these Terms and Conditions.

Please refer to Part 4A 'Information about mistaken internet payments' of these Terms and Conditions for information regarding the handling of mistaken internet payments.

d. Suspension

We may suspend your ability to make or receive Fast Payments at any time where we believe on reasonable grounds that it is necessary to do so to prevent loss to UBank or you, including where we suspect that the service is being used or will be used for fraud.

We may also make Fast Payments temporarily unavailable for the purpose of performing system maintenance or upgrades.

4.16 Correcting mistaken internet payments and other errors

Where we determine that a payment made to your UBank savings account is either a mistaken internet payment or a payment made in error, we may, without your consent, and subject to complying with any other applicable terms and conditions, deduct from your account an amount equal to that mistaken internet payment or payment made in error. A payment made in error includes a fraudulent payment, an over payment, a duplicate payment or a payment error made by us.

Please refer to:

- Part 4A 'Information about mistaken internet payments' of these Terms and Conditions for more information regarding the handling of mistaken internet payments, and
- Part 4D 'Your responsibility' of these Terms and Conditions for more information regarding your liability for unauthorised personal EFT transactions.

4.17 When UBank can block your account or transactions

We will provide you with reasonable advance notice of a block being placed on your account, or other restrictions placed on your account, where it is appropriate in the circumstances.

If we need to exercise our rights under this section to:

Part 4

UBank Online and Telephone Services – general terms

UBank Online and UBank Telephone Services are secure, convenient and easy to use. They're in place to help manage your UBank savings accounts, and are available to you based on these Terms and Conditions.

We'll take it that you've accepted these Terms and Conditions when:

- You access, or seek to access, a UBank savings account through the service; or
- You confirm your acceptance electronically during the online registration process; or
- You access, or seek to access, the service after previously being notified of a change in the Terms and Conditions.

A quick note

These Terms and Conditions are in addition to any other Terms and Conditions for your UBank savings account(s).

If there's any inconsistency between these ones and the Terms and Conditions applying to an account or to a service provided by UBank, these shall apply to the extent of that inconsistency.

When we need to make changes

UBank may at any time, where our business interests require it, add to, remove, change or impose restrictions on, the functionalities of the service.

When you want to transfer your funds

You'll be able to transfer funds from your UBank savings account(s) to any other accounts accessible by this service, whether they're held with other financial institutions, other third parties or UBank.

The amount you can transfer is subject to a daily limit set by UBank. You should refer to ubank.com.au for details of any restrictions.

If you use a UBank login email issued to you, your ability to make such a transfer can be removed if you notify UBank that you want that to happen.

UBank bears no responsibility for limits and restrictions on any transfer of funds imposed by other financial institutions and third parties.

1 Understanding your Security Code or identifier

When you want to make a payment to a third-party account, or make a change to the information on your profile, we may send you a Security Code or identifier. We'll ask you to provide that Security Code or identifier in accordance with our security process. This is in addition to any password/PIN or other information we need you to give us when making requests.

If we're not able to accept an instruction using the Security Code or identifier, please call us. Provision of this Security Code or identifier does not alter your responsibility for the transaction.

2 Keeping your password/PIN safe and sound

At UBank, we take the security of your personal information seriously. That's why, when we issue you with a Security Code, password and/or PIN, you need to take all reasonable precautions to protect it. You must not:

- Voluntarily disclose the Security Code and/or password/PIN to anyone – including a family member or friend;
- Act with extreme carelessness in failing to protect its security; or
- Record it somewhere without making a reasonable attempt to protect its security.

UBank can't accept liability for any loss or damages caused by your disclosure of your Security Code/Password/PIN to anyone. This includes third party systems and online service providers.

Where UBank allows you to select a password and/or PIN, or change it, you must not select:

- A numeric code which represents your birth date; or
- An alphabetical code which is a recognisable part of your name.

Either of these selections could mean you're liable for losses caused by a breach of security of the password and/or PIN.

3 Giving us instructions

The following rules apply to instructions that you give UBank using the service:

- Any instruction you make to UBank using the service constitutes a valid and irrevocable authority to UBank to follow that instruction; and
- A payment instruction which is given before the cut-off time for a day will generally be processed on the same day, but if it's given after the cut-off time it might be processed on the next business day after the instruction is given; and
- In some circumstances, we don't need to act, or may delay acting, on any instruction given to UBank by you through use of the service. Examples of when this might occur include where UBank suspects fraud in relation to your UBank savings account or where following your instructions would result in loss to you or to UBank; and
- We may process an instruction on the next business day after it's given; and
- The accuracy of information about a UBank savings account you obtain through the relevant service is subject to checking by UBank as part of its normal procedures, and reflects the entries that have been posted to the relevant UBank savings account at the time it's obtained.

We're not liable for any loss or damage caused directly or indirectly to you as a result of our failure to act or delay in acting on any instruction given to UBank by you, unless it's proved that we're negligent.

4 Understanding periodic or future dated payments

The following rules apply to periodic and future dated payments that you set up:

A periodic or future dated payment continues until the expiry date authorised by you, even if the service, or any Security Code used by you to authenticate that instruction, has been cancelled. You can cancel your periodic or future dated payment instruction at any time, up until the day before the payment is due.

You're also responsible for all instructions given in relation to your UBank savings account(s) which are authorised by your use of the password/ PIN, or Security Code, or undertaken by another person with your knowledge or consent.

You must notify us immediately if:

- Your password/PIN becomes known to any other person or is compromised;
- The computer which you use to access and use the service is lost, stolen or fraudulently accessed; and/or
- You become aware of any unauthorised transaction or error on any account using the service.

If for any reason the service is unavailable, it's your responsibility to use other means of effecting transactions and giving and obtaining information.

5 ePayments Code warranty

UBank warrants that it will comply with the requirements of the ePayments Code for all personal EFT transactions conducted via UBank Online and UBank Telephone Services.

Part 4A

Information about mistaken internet payments

Mistaken internet payments using Funds Transfer – To Another Account

This clause applies to mistaken internet payments using the Funds Transfer – To Another Account functionality available within internet banking or when making a Fast Payment. It sets out important rules where the Sending ADI and the Receiving ADI have subscribed to the ePayments Code (or there is a Fast Payment) and:

- You report a mistaken internet payment to UBank as the Sending ADI; or
- UBank as the Receiving ADI is notified by a Sending ADI that funds have been credited to your UBank savings account as the result of a mistaken internet payment by its customer. (Note: UBank is a division of NAB which is an ADI.)

This only applies to personal EFT transactions (including Fast Payments).

In this clause mistaken internet payment means a payment made by you through Funds Transfer – To Another Account (including Fast Payments) where funds are paid into the account of an unintended recipient because you entered or selected the wrong BSB number and/or account number as the result of your error or you being advised of the wrong BSB number and/or account number. ADI means Authorised Deposit-taking institution and has the same meaning as the term in the Banking Act 1959(Cth). The Receiving ADI is the ADI whose customer received an internet banking payment and the Sending ADI is the ADI whose customer has made an internet payment.

1 Your obligation

You:

- Must take care to enter or select the correct information about the intended recipient of the funds, required when using Funds Transfer – To Another Account to make a payment. It is not always possible for UBank to recover funds from the unintended recipient.
- Should report a mistaken internet payment to UBank as soon as possible by:
 - Calling 13 30 80; or
 - Login our website ubank.com.au and creating a secure message (Electronic Transaction Dispute).

UBank will acknowledge receipt of the report and you should record or retain this acknowledgment.

2 Our obligations as a Sending ADI when we receive your report.

2.1 Obligation to investigate

UBank will investigate your report of a mistaken internet payment.

Obligation to tell you about the outcome

UBank will tell you about the outcome of your report of a mistaken internet payment:

- In writing, and
- Within 30 business days of the day the report was made.

2.3 Process where UBank and the Receiving ADI are not satisfied a mistaken internet payment has occurred.

When you make a report both UBank and the Receiving ADI need to be satisfied a mistaken internet payment has occurred.

If UBank is not satisfied a mistaken internet payment has occurred UBank is not required to take any further action and will tell you in accordance with our obligation to inform you about the outcome.

If the Receiving ADI receives a request from UBank to return funds to UBank, but is not satisfied that a mistaken internet payment has occurred, the Receiving ADI may seek their customer's consent to return the funds to you. If consent is provided to the Receiving ADI, UBank will return these funds to you as soon as practicable.

2.4 Process where UBank and the Receiving ADI are satisfied a mistaken internet and there are insufficient funds.

This process applies where both UBank and the Receiving ADI are satisfied a mistaken internet payment has occurred.

If UBank is satisfied that a mistaken internet payment has occurred, UBank will send the Receiving ADI a request for return of the funds. UBank is reliant on the Receiving ADI advising UBank if there are sufficient funds in their customer's account to cover the amount of the mistaken internet payment.

If UBank is advised there are insufficient funds in the customer's account, UBank is reliant on the Receiving ADI using its reasonable endeavours to recover the funds for you from their customer (e.g. facilitating payment by instalments).

If the Receiving ADI is unable to recover the funds from the unintended recipient you will be liable for losses arising from the mistaken internet payment.

2.5 Process where UBank and the Receiving ADI are satisfied a mistaken internet payment has occurred and there are sufficient funds.

This table describes the obligation of Receiving ADI and UBank if they are satisfied a mistaken internet payment has occurred and there are sufficient credit funds available in the account of the unintended recipient to cover the payment.

A different process applies depending on when you reported the mistaken internet payment to UBank (see table on following page).

You report the mistaken internet payment to UBank	Obligation of Receiving ADI after receiving UBank's request to return funds	UBank's obligation to pay you
Within 10 business days of making the payment.	Funds must be returned to UBank within 5 business days (if practicable) of receiving UBank's request to return the funds or such longer period as is necessary up to a maximum of 10 business days.	To return the funds to you as soon as practicable.
Between 10 business days and 7 months of making the payment.	Complete investigation within 10 business days of receiving UBank's request to return the funds. If satisfied a mistaken internet payment has occurred: <ul style="list-style-type: none"> - Prevent their customer withdrawing the mistaken internet payment funds for a further 10 business days; - Notify their customer they have a period of 10 business days to establish they are entitled to the funds. (This period commences on the date their customer was prevented from withdrawing the funds); and - Return funds to UBank within 2 business days of the end of the 10 day period described immediately above if their customer has not established they are entitled to the funds. 	To return the funds to you as soon as practicable.
After 7 months	Seek the consent of their customer to return funds. With the consent of their customer return the funds to UBank.	To return the funds to you as soon as practicable.

2.6 Complaints

For information about making a complaint about the outcome of a mistaken internet payment report or how we have dealt with it, please see Part 9. Concerns, complaints and feedback of this booklet.

2.7 Our obligations if we are notified about a mistaken internet payment by another ADI

If UBank is notified by a Sending ADI that funds have been credited to your UBank savings account as the result of a mistaken internet payment by its customer UBank will act in accordance with the obligations of the Receiving ADI described in Part 4A.2 including the obligations to return funds in your UBank savings account to the Sending ADI where applicable.

UBank Telephone Services are available to all UBank customers.

When you first access the service, you'll be required to set up a UBank Telephone PIN and/or another method of identification acceptable to us.

2 Your PIN responsibilities

This section explains your liability for unauthorised personal EFT transactions (including Fast Payments). It overrides any other clause to the extent of any conflict or inconsistency for all personal EFT transactions.

1 Times you're not liable:

You're not liable for losses:

- Caused by the fraudulent or negligent conduct of employees or agents or companies involved in networking arrangements or of merchants or of their agents or employees;
- Arising because the UBank login email, Security Code and/or password/PIN is forged, faulty, expired, or cancelled;
- That arise from transactions which required the use of the Security Code and/or password/PIN and that occurred before you received the Security Code and/or password/PIN;
- That are caused by a transaction being incorrectly debited more than once to the same UBank savings account;
- Resulting from unauthorised transactions occurring after notification to UBank that the security of the Security Code and/or password/PIN has been breached; and/or
- Resulting from unauthorised transactions where it's clear that you did not contribute to the losses.

2 Times you're liable

You'll be liable for losses resulting from unauthorised transactions where UBank can prove on the balance of probability that you contributed to losses:

- Through fraud or contravention of the security requirements; and
- From unauthorised transactions because you unreasonably delayed notifying UBank after becoming aware that the security of the Security Code and/or password/PIN had been breached.

Where you delay unreasonably, you'll then be liable for the actual losses which occur between the time you became aware and when UBank was actually notified except for:

- The portion of losses that exceeds the applicable daily transaction limit(s) (if any) on any one day;
- The portion of losses incurred in a period which exceeds any other periodic transaction limit(s) applicable to that period;
- The portion of losses incurred on any UBank savings account which exceeds the balance of that account;
- All losses incurred on any UBank savings accounts which the Account holder and UBank had not agreed could be accessed using the Security Code and/or password/PIN.

3 Times when you have limited liability

If it's not clear whether you have contributed to the loss as the result of an unauthorised transaction that required a Security Code and/or password/PIN, then your liability is limited to the lesser of:

- \$150;
- The balance of those UBank savings account(s) from which value was transferred in the unauthorised transactions; or

- The actual loss at the time UBank is notified that the security of your Security Code and/or password/PIN has been breached.

4 Times we're liable

We'll be responsible for losses that you may incur, that are caused by failure of our equipment or system to complete a personal EFT transaction, after being accepted in accordance with your instructions.

However, where you should've been aware that our equipment or system was unavailable for use or malfunctioning, our responsibilities will be limited to:

- Correcting errors in the Account holder's UBank savings account and refunding any charges or fees imposed as a result.

5 Times we're not liable

We'll not be liable for any losses caused by the failure of our equipment or system where our equipment or system had not accepted the personal EFT transaction.

6 Letting us know about any breaches

If you believe the security of your Security Code and/or password/PIN has been breached, you must advise UBank as soon as possible.

Once we've been notified, your liability for further personal EFT transactions using that Security Code and/or password/PIN will be limited.

Where telephone facilities for notification are not available during particular periods, any losses occurring during these periods that were due to non-notification are deemed to be the liability of UBank, providing notification is made to UBank within a reasonable time of the facility again becoming available UBank will acknowledge your report, and you should record or retain this acknowledgment.

Sharing with the Group

We may share your personal information with other Group members. This could depend on the product or service you have applied for and the Group member you are dealing with. Where appropriate, we integrate the information we hold across the Group to provide us with a complete understanding of you and your needs, including giving you access to the Group or related products you hold via Internet Banking.

Sharing with MLC Limited

NAB acts for MLC Limited ABN 90 000 000 402 (described as MLC Life Insurance) in distributing their life insurance products. MLC Limited is no longer part of the NAB Group of companies. We may exchange personal information with MLC Limited or their service providers in order to administer and manage your life insurance products that are issued by them. We may also need to share information so as to ensure:

- your insurance premium is calculated correctly (balance information may be required to be shared so your insurance can be calculated) and where authorised, make payments on your behalf to MLC Limited;
- insurance claims and benefits are paid;
- NAB and MLC Limited can both tell you about our respective marketing and products offers (including ensuring customers who hold MLC Limited products are excluded from NAB Group campaigns marketing MLC Limited products);
- a smooth customer experience when you contact us, including:
- we can transfer you to the right service centre;
- where appropriate, NAB and MLC Limited can cooperate in order to handle your complaint;
- being able to provide assistance should you wish to speak about your MLC Limited products held (e.g. where possible, we may assist by updating contact details on request).

Some of the information exchanged will be stored and visible within NAB Group customer databases; with some of these databases being accessible to MLC Limited for a transition period. All information stored in these databases is subject to this privacy policy as well as NAB Group's security procedures and controls.

Sharing at your request

We may need to share your personal information with your representative or any person acting on your behalf (for example, financial advisers, lawyers, settlement agents, accountants, executors, administrators, trustees, guardians, brokers or auditors) and your referee such as your employer (to confirm details about you).

Sharing with Credit Reporting bodies

When we're checking your credit worthiness and at other times, we might share information about you with credit reporting bodies. When we give your information to a credit reporting body, it may be included in reports that the credit reporting body gives other organisations (such as other lenders) to help them assess your credit worthiness.

Some of the information that we give to credit reporting bodies may reflect adversely on your credit worthiness, for example, if you fail to make payments or if you commit a serious credit infringement (like obtaining credit by fraud). That sort of information may affect your ability to get credit from other lenders.

With your consent, personal information may also be shared with credit reporting bodies or other approved third parties who are authorised to assess the validity of identification information.

These checks help us verify whether your identity is real and are not a credit check.

Sharing with third parties

We may disclose your personal information to third parties outside of the Group, including:

- those involved in providing, managing or administering your product or service;
- authorised representatives of the NAB Group who sell products or services on our behalf;
- credit reporting bodies or other approved third parties who are authorised to assess the validity of identification information;
- insurance, investment, superannuation and managed funds organisations, and their advisers and service provider;
- medical professionals, medical facilities or health authorities who verify any health information you may provide;
- real estate agents, valuers and insurers (including lenders' mortgage insurers and title insurers), re-insurers, claim assessors and investigators;
- brokers or referrers who refer your application or business to us;
- other financial institutions, such as banks, as well as guarantors and prospective guarantors of your facility;
- organisations involved in debt collecting, including purchasers of debt;
- fraud reporting agencies (including organisations that assist with fraud investigations and organisations established to identify, investigate and/or prevent any fraud, suspected fraud, crime, suspected crime, or misconduct of a serious nature);
- service providers that assist with fraud detection and prevention;
- organisations involved in surveying or registering a security property or which otherwise have an interest in such property;
- organisations we sponsor and loyalty program partners, including organisations the NAB Group has an arrangement with to jointly offer products or has an alliance with to share information for marketing purposes;
- companies we arrange or distribute products for, such as insurance products;
- rating agencies to the extent necessary to allow the rating agency to rate particular investments;
- any party involved in securitising your facility, including the Reserve Bank of Australia (sometimes this information is de-identified), re-insurers and underwriters, loan servicers, trust managers, trustees and security trustees;
- service providers that maintain, review and develop our business systems, procedures and technology infrastructure, including testing or upgrading our computer systems;
- payments systems organisations including merchants, payment organisations and organisations that produce cards, cheque books or statements for us;
- our joint venture partners that conduct business with us;
- organisations involved in a corporate re-organisation or transfer of NAB Group assets or business;
- organisations that assist with our product planning, analytics, research and development;
- mailing houses and telemarketing agencies and media organisations who assist us to communicate with you, including media or social networking sites;
- other organisations involved in our normal business practices, including our agents and contractors, as well as our accountants, auditors or lawyers and other external advisers (e.g. consultants and any independent customer advocates);
- government or regulatory bodies (including the Australian Securities and Investment Commission and the Australian Tax

Office) as required or authorised by law (in some instances these bodies may share it with relevant foreign authorities); and

- where you've given your consent or at your request, including to your representatives, or advisors.

Sharing outside of Australia

We run our business in Australia and overseas. We may need to share some of your information (including credit information) with organisations outside Australia. Sometimes, we may need to ask you before this happens. You can view a list of the countries in which those overseas organisations are located at www.nab.com.au/privacy/overseas-countries-list/

We may store your information in cloud or other types of networked or electronic storage. As electronic or networked storage can be accessed from various countries via an internet connection, it's not always practicable to know in which country your information may be held. If your information is stored in this way, disclosures may occur in countries other than those listed.

Overseas organisations may be required to disclose information we share with them under a foreign law. In those instances, we will not be responsible for that disclosure.

We will not share any of your credit information with a credit reporting body, unless it has a business operation in Australia.

We are not likely to share credit eligibility information (that is, credit information we obtain about you from a credit reporting body or that we derive from that information) with organisations unless they have business operations in Australia. However, in the event NAB seeks assistance from a related company to manage defaulting loans, we may need as a consequence disclose credit eligibility information to the Bank of New Zealand, located in New Zealand. We are likely to share other credit information about you with organisations outside Australia. A list of countries in which those overseas organisations are located is set out above.

Contact credit reporting bodies if you think you have been the victim of a fraud

If you believe that you have been or are likely to be the victim of fraud (including identity fraud), you can request a credit reporting body not to use or disclose the information they hold about you. If you do this, the credit reporting body mustn't use or disclose the information during an initial 21 day period without your consent (unless the use or disclosure is required by law). This is known as a ban period.

If, after the initial 21 day ban period, the credit reporting body believes on reasonable grounds that you continue to be or are likely to be the victim of fraud, the credit reporting body must extend the ban period as they think reasonable in the circumstances. The credit reporting body must give you a written notice of the extension.

Contact credit reporting bodies if you don't want your information used by them for direct marketing/pre-screening purposes.

Credit reporting bodies can use the personal information about you that they collect for a pre-screening assessment at the request of a credit provider unless you ask them not to. A pre-screening assessment is an assessment of individuals to see if they satisfy particular eligibility requirements of a credit provider to receive direct marketing. You have the right to contact a credit reporting body to say that you don't want your information used in pre-screening assessments. If you do this, the credit reporting body must not use your information for that purpose.

Part 7

Combining accounts

We may without prior notice combine or set off the whole or any part of your UBank savings account towards satisfaction of any outstanding debt that you may have with UBank or NAB – for example a debit balance in another bank account held with NAB. This includes accounts held by you in a different capacity or Joint Accounts. If we need to do this, we'll notify you promptly after doing so.

This includes the combining of any of your accounts, and applies whether or not the account is subject to notice, or whether the account has matured or the amount is due.

Part 8

Changes to these Terms and Conditions

We may change the Terms and Conditions for any UBank savings account.

We'll give you at least 30 calendar days' advance written notice of an unfavourable change, including:

- changes that increase your liability for losses relating to EFT transactions,
- changes to the method for calculation of interest, or
- changes to any fee or charge.

For government charges, we may give a shorter period of notice of a government charge, if we give notice with reasonable promptness after we are notified by the government, and we need not give notice if the government publicises the change to fees and charges.

If we make any other change to these Terms and Conditions we'll notify you of the change no later than the day it takes effect subject to any relevant requirements under applicable legislation or industry codes.

We may give you notice of these changes, either by:

- writing to you (via post or email),
- advertising in a national newspaper, or
- publishing the new Terms and Conditions on ubank.com.au and advising you by an electronic communication that they have been updated.

If we need to make changes to reasonably manage an immediate and material risk, such as to immediately restore or maintain the security of our systems or UBank accounts, or to comply with applicable laws and regulations, we may not be able to provide this advance notice. In these cases we'll give you as much notice as we can.

Where changes are immaterial or not adverse to your interests, we reserve the right to not give advance notice of such changes. But we'll always give notice within the time limits permitted by applicable legislation or industry codes.

Part 9

Concerns, complaints and feedback

Something gone wrong? Had a technical problem? Or have a complaint? Then let's get to the bottom of it right away – and fix it. Contact us and tell us what's wrong.

Alternatively, write to our Customer Resolutions Advisor, at the following address:

UBank
Customer Connect Team
Customer Resolutions Advisor
PO Box 1466
North Sydney NSW 2059

We'll do everything we can to solve the problem as quickly and effectively as possible. And to make sure we fully understand the situation, we'll ask you for all the details of what's gone wrong, and may even ask you to put it in writing as well.

Please note that before AFCA can investigate your complaint, they do require you to have first provided us the opportunity to address the complaint.

1. How we fix things

If ever something goes wrong, or you have a complaint, let us know. And we'll try to sort it out right then and there to everyone's satisfaction. But if we're unable to do this, we'll let you know the next steps so an investigation can take place.

We'll contact you and/or advise you in writing of our procedures for investigating and resolving your concerns. And within 14 calendar days of receiving the relevant details of your complaint, we'll either:

- Complete our investigation, and let you know the outcome in writing; or
- Write to you and let you know we need more time to complete the investigation.

Unless there are exceptional circumstances, such as matters under Credit Reporting rules, the investigation should be wrapped up within 14 days of us receiving the relevant details of the issue. But if it takes any longer, we'll:

- Tell you why there's been a delay.
- Give you regular updates on the progress of your complaint.
- Let you know when a decision can reasonably be expected (unless we're waiting for a response from you, and you're aware that we're waiting).

2. Once we've gotten to the bottom of it

We'll be in touch immediately. We'll let you know the outcome of the investigation, and give you the reasons for it. Where it might help, we'll also point you to the relevant provisions of the ePayments Code.

If your UBank savings account has been incorrectly debited or credited, we'll (where appropriate) adjust the UBank savings account right away (including adjustments for interest and charges or both), and let you know we've done it. We'll also advise you in writing of exactly what's taken place.

In cases where you're liable for at least part of an amount in question, we'll (in nearly all cases) make the relevant evidence available to you and let you know whether there was any system malfunction at the time of the transaction.

3. What happens if you're still not satisfied?

We'll always do our best to bring complaints to a satisfactory and clear resolution. If you subsequently feel that an issue has not been resolved to your satisfaction, you may be able to raise your concerns with AFCA if you're an individual or small business owner.

4. How to get further help

Here's how to contact AFCA directly:

- Call 1800 931 678
- Email info@afca.org.au
- Visit afca.org.au; or
