An incorrect BSB or account number may result in your money being paid to the wrong account and may lead to the loss of your funds. Transfers over \$20,000 (or any smaller limit you've chosen online) must be to a nominated linked account. You may not be separately notified if a transfer fails because it is over your limit.

Important information

02

Make sure you provide the correct documents.

—

The documents required depends on whether or not your SMSF has an Individual or Corporate structure.

—

If you're set up as an individual trustee, we'll need you to provide a certified copy of the relevant parts of your SMSF Trust Deed which clearly identifies:

- The name of the Super Fund
- The individuals in the application as the Super Fund's member and trustees – this means your full legal name and the mention of you being a 'Trustee' of the SMSF trust.

Take a look at the following example. John and Jennifer are clearly identified as being Trustees for the fund.

SCHEDULE

1. **Deed Date** 30/09/2011
2. **Trustee Details**
Name and Address: John Example & Jennifer Example
123 Fake Street, Springfield, Queensland
3. **Member Details**

4. **Date of Trust Fund Deed (Creation Date)**

5. **Variation Deeds**

6. **Name of Fund**

7. **Amending Rule**

8. **Amending Provisions**
By deleting all the provisions of the Trust Deed and replacing them with the Replacement Rules.

When the trustee is a company, we'll need certified copies of the parts of the Super Fund deed which:

- Clearly identifies the corporate entity as the trustee and the individuals listed as members – this means your full legal name mentioned as the member.

Take a look at the following example.

These examples show how Example PTY LTD is identified as the Trustee for the fund.

This information is typically displayed on the Schedule page of the Super Fund Deed, on a Notice of Assessment from the Australian Taxation Office, or on the Australian Business Registration Notice.

You'll need to make sure you have correctly certified your documents before sending them.

Who can certify my documents?

This bit's important. While we won't need to sight the original Trust deed, we do need Original Certified Copies of the relevant pages – that means a photocopy of the original document, certified in raw pen by a person authorised in your state or territory with the following information:

- The full text, 'This is to certify that this is a true copy of the original which I have sighted'
- The Certifier's full printed name
- The Certifier's occupation
- The Certifier's signature which must be in raw pen and can't be photocopied
- The Certifier's professional or employee number
- The Certifier's address and
- The date the document was certified.

Make sure all of the above points appear on the certification - if not, we'll have to refuse the documents. Once you've checked all the information's there, send the documents through to:
